2. Out of area service ~ KCOM

See annual rental & connection charges plus the appropriate private circuit charge.

3. Alternatively routed lines

Alternatively routed exchange lines will be charged at the current time related charge rate for the provision of any poles, cable or duct which is used solely for the alternative routing. These charges are in addition to the normal rental and connection charges.

4. Note

1) Customers removing from a different service provider will be treated as new customers.

2) In case of abnormal construction - cost of works (i.e. more than two man hours)

*After the first year, the full rental for the relevant service (metered, unmetered etc.) will be charged.

5. + Engineer Visit Charge

	Ex VAT	Inc. VAT
Standard Engineer Visit Charge	£100.00	£120.00

Only one engineer visit charge should be raised against multiple provision of items that attract an engineer visit charge.
