

KC Business Lightstream Ultrafast

1. Service description

KCOM Business Lightstream Ultrafast services provide you with ultrafast broadband services using Fibre optics nearer to your premises to deliver faster broadband services than ADSL services.

The maximum download and upload speeds capable from these services is detailed in the table below. These services do not include a telephone line rental or call charges, which must be taken in conjunction with these services.

Customer Requirements

- A new or existing KCOM telephone line rental is required at the address of the KC Business Lightstream service.
- Ethernet LAN running TCP/IP (100 BASE T minimum). For LAN connections customer to supply PC Ethernet cards.
- An internet ready device
- If we connect PC's and laptops using the wireless router, we provide a router to wireless N standards. To optimize your wireless speed you will require wireless N adaptors or cards for your PC, rather than older and slower A, B and G standards. However A, B and G standards will still work.
- All customers should consider the security of their PC. KCOM recommends the use of current anti-virus software and firewall protection. Email anti-virus protection is provided with email POP accounts. Contact the business team regarding firewall security and Unified Threat Management hardware.
- FTTP customers will require two power sockets are required for the Optical Network Terminal (ONT) and the supplied router.

2. Engineer visit

We will provide you with an AM or PM appointment. Managed customers will require two on-site engineer visits and we will try and co-ordinate these on the same working day. missed appointment charges apply for any missed installation dates [here](#)

3. Connection & hardware charges

Lead Time	46 days				

7. Notes

Our FTTP service requires a KCOM telephone line service to be situated at the premises. This can be an Analogue, ISDN, Centrex or SmartComms telephone line.

Homeworker can be billed to business with free summary billing.

Multiple static IP addresses are subject to RIPE approval and require a no-NAT configuration.

Managed Light and Managed Pro customers receive a lifetime replacement router available whilst the customer remains a Business Lightstream Managed customer.

Next Working Day Repair excludes network outages or faults that require on-going monitoring; working days are Monday-Friday and exclude Bank and Public Holidays.

8. Other charges

Additional One off Requirements	Connection Charge	
	Ex VAT	Inc. VAT
Replacement FTTC/FTTP Router (non-managed) – including postal delivery	£75.00	£90.00
Replacement FTTC/FTTP Router (non-managed) – including engineer installation	£96.00	£115.20

9. Hardware

We will provide hardware to you, for you to use with the KCOM Business Lightstream service, you acknowledge that any free hardware provided shall remain the property of KCOM. If the service is cancelled you must allow us access to the premises to collect the hardware, if required.

You must take reasonable care of the hardware whilst it is at the premises and, in particular, must protect it from accidental damage and theft. In addition, you must not allow anyone other than us to carry out any repairs or maintenance work on the hardware.

You will be responsible for the cost of repair or replacement hardware if it is lost or damaged as a result of accidental damage or you failing to take proper care of them. However, we will be responsible for any problems you experience with the use of the hardware that can be attributed to any defects with the materials or manufacture. We will repair or replace any defective items free of charge within the initial 12 months with a new or as new hardware of similar specification as the hardware being replaced.

Beyond the initial 12 month warranty you will be required to purchase replacement hardware, excluding the KCOM Business Lightstream Managed service which we provide with a lifetime warranty on a suitable router.

If you purchase Hardware to use with the Service from Us or are required to purchase replacement Hardware after the initial 12 months service, the ownership of the hardware shall be yours once you have paid for the hardware in full. We will assign the benefit of any product warranties given by the manufacturer or supplier of the Hardware to You; and You shall be entitled to replacement hardware if You experience any problems with the Hardware, during the initial 12 month period following on from the date on which We supply the Hardware to You, if such problems can be attributed to any defects with the materials or manufacture of the Hardware.

10. Early termination charges

Customers on a 12 or 24 month contract that terminate before the end of the contract are subject to the costs of the service for the remainder of the contract term.

11. Customer availability & compatible services

KC Business Lightstream services are only available to business customers with a telephone line at the premises where this service is to be installed. Customers can contract for any business telephone service including Analogue, Centrex, ISDN2/2e, ISDN30/30e, or SmartComms telephone services. KC Business Lightstream prices apply to your high-speed Internet rental only, normal line rental and call charges apply to any telephony services you receive from KC over your telephone line.

All services subject to availability, line test and confirmation. All customers and end-users are subject to and must abide by our Acceptable Use Policy.
