

Hosted Exchange

Service Description

Hosted Exchange allows an organisation to access a robust, secure and highly functional Microsoft Exchange based messaging system on a 'Pay As You Go' basis. The service provides access to hosted email, calendars, contacts and to-do lists accessible using Microsoft Outlook client software or Outlook Web Access via a browser.

Customer Requirements

Customers will require a PC with and Internet Connection running Microsoft Windows (XP or above recommended) with Microsoft Internet Explorer 6 (or above).
