NO LONGER AVAILABLE FOR NEW SUPPLY

eStore

Service Description

eStore provides a fixed monthly cost hosted storefront rental service for businesses wishing to establish an online trading presence on the internet. Businesses using the service gain access to a comprehensive, powerful and easy to use suite of software to establish, maintain, manage and promote their e-business.

A choice of three packages is available to match the scale and performance requirements of different business types

Customer Requirements

Customers will require a broadband internet connection to use the service. The program is browser-based and recommended browsers are as follows :

Internet Explorer 5.5 and above

Firefox / Mozilla 1.6 and above

The browser must allow JavaScript and the use of session cookies.

The software is optimized for a screen resolution of 1,024 x 786 pixels and a colour depth of at least 65,000 colours.

In order to accept payments through their online stores, customers will be required to establish an agreement with one or more payment service providers.

Charging Structure

The service is provided subject to a minimum 12 month contract.

Product	Monthly Fee	
	Exc. VAT	Inc. VAT
eStore 200	£17.50	£21.00
eStore 1000	£27.50	£33.00
eStore 5000	£49.50	£59.40
