

KCOM mobile broadband

Mobile broadband tariffs

Who says you can't work on the train, at a customer meeting or even at your local coffee shop? With KCOM your business can have the flexibility to work from anywhere. Mobile data solutions from KCOM enable you to take the office with you, so you can access your emails, surf the internet or even access your customer information whilst you are on the road.

Mobile broadband tariffs are a great solution if you have the requirement to connect data only devices such as tablets, laptops and Mobile WiFi Hotspots to the Internet.

Our mobile broadband tariffs provide an inclusive amount of data per billing month.
