

Special Phone Book Entries

Service Description

There is a set of charges for customers requiring special phone book entries in BT publications. BT will allow one free standard phone book entry in a customer's local BT Phone Book area. This excludes 01482 customers where the local phone book is produced by Hull Colour Pages. 01482 customers receive one free standard entry in the Hull Colour Pages phone book. All special phone book entries in addition to the free standard entry will be chargeable.

The charge will be applied annually until a request is received to cancel the Special Phone Book Entry.
