KC Home Bundles

1. Introduction and Summary

The KC Home range brings together in one bundle telephony (landline), broadband and optional mobile broadband services, all on a single bill. Details of these services are as below.

2. Pricing

KC Home bundles come with paperless billing. Customers will be able to view their bills on the KC Online billing system. Customers will receive an email when their bill is ready to view.

Customers will, however, have the option of receiving a paper bill if they wish but this will incur an extra charge.

Payment is via monthly direct debit, cash or cheque. Non-direct debit payments will incur an additional monthly charge. KC Home bundles billing dates are 1st, 8th, 15th or 22nd of the month; the direct debit payment will be taken 10 working days later.

5. Contract Terms and Early Termination Charges

If a customer who is still within the minimum contract period wishes to downgrade from a KC Home bundle to a lower-cost KC Home bundle or to KC Talk and/or Karoo Broadband as separate products, the customer will need to start a new minimum term contract with his chosen KC Talk and/or Karoo Broadband product. In addition, there is a downgrade fee of £10 Inc. VAT per month for any customer who is still within a Minimum Contract Term and wishes to downgrade from a KC Home bundle that includes mobile broadband. This is to cover KC's contractual agreement and ongoing costs with our mobile broadband provider, O2.

Any customer within the minimum contract period who wishes to upgrade bundle will simply carry the remainder of that minimum contract period across to the new bundle.

Early Termination Charges apply for customers ceasing their KC Home bundle whilst still in contract. These Early Termination Charges are highlighted in the table below, and apply per month for the remainder of the contract term. VAT is not payable on these charges.
