

1. Introduction and Summary

The KC Broadband service brings together your phone and standard broadband, in one convenient bundle, on a single bill. This document shows details of broadband bundle services.

2. Service Description

Based on ADSL technology, KC Broadband provides internet access with connection speeds that vary, depending on your line length from the telephone exchange.

3. Pricing

Prices below are inclusive of VAT. Discounts are available for payment by Direct Debit and Online Billing, both of which provide convenience and control to our customers.

4. Contract Term

The standard contract length is 18 months for KC Broadband bundles. Flexible contract options are available for an additional charge, and Early Termination Fees apply. Please see Service Options and Additional Charges sections of this document.

5. Connection Charges
