Residential Off-Net Special Offers

TalkMore Golden Numbers

Offer runs from the 1st June 05 until further notice.

Offer is available to all people with direct connection to the KC network, including staff KC staff.

Existing KC customers are asked to recommend the TalkMore (off-net) telephone service to friends and family.

When a new TalkMore customer signs up to the service they are asked how they found out about the service. If they are recommended to the service by an existing KC customer then the following promotion applies.

The New TalkMore customer benefits from:

- Free calls to anybody on the KC network
- Free calls to all other TalkMore customers and savings against BT on their phone bill
- £10 call credit applied to their account after 3 months of billing

The KC customer benefits from:

- Free calls to the recommended TalkMore customer (up to a max of 10 recommended numbers)
- £10 call credit onto their existing phone bill (applied to the account after 3 months of the TalkMore customer billing)

How does the KC customer claim their free call allowance?

They must ask their friend/family member to ring or register interest to the TalkMore Service. The Sales/Care consultant will ask how they heard about the service. The new TalkMore customer should quote reference GN0055RF and give the details of the KC customer's name and Telephone number. This will ensure both parties receive the benefits of the Golden Numbers promotion.

If a KC customer has the TalkMore number in their existing KC Favourites this will need to be removed and added to the scripted table for TalkMore Golden Numbers when they sign up to the service.

If the KC customer has a TalkMore number in their existing favourites and the customer is an existing billing TalkMore customer, the number should be moved to the TalkMore Golden Numbers discount table and the call credits honoured. All other benefits will not be applied.
