

Mobile Extension (Mobex) Tariff

Mobile Extension (Mobex) Tariff

If your business has more than 75 users with high mobile to office usage or vice versa, then the Mobile Extension (Mobex) tariff from KC is perfect for you.

We can integrate all your fixed and mobile lines into a single numbering plan to give you short code dialling and cost-effective call rates to all your company's mobile and fixed lines.

What are the key benefits?

- Pay only for what you use – great low monthly subscription
- Significant savings on calls to all your company's mobile and fixed lines
- Sites that are not networked can benefit from making 'on-net' (i.e. numbers on the dial plan) mobile calls to up to 40 number ranges, each with up to 1000 numbers
- Five number ranges can even be your company's customers and suppliers, providing even greater savings for calling your regular contacts
- Active-View – a powerful online tool for analysing and managing mobile call usage
- **Up to 80% off** UK calls abroad with our International Traveller Service (ITS)
- Dedicated Telephone Account Manager
- Call tagging – enabling you to identify your personal and business calls on your bill
- FREE itemised billing
