## BlackBerry Internet Mail Tariff

A BlackBerry integrated phone and data device gives you the ideal all in one voice and data solution. You can choose to take the Internet Mail service with one of our voice tariffs.

The BlackBerry Internet Mail Tariff gives you BlackBerry email and internet browsing.

The BlackBerry Internet Mail™ enables you to easily connect up to 10 email accounts of the following types of internet-based email accounts:

- Internet Service Provider (ISP) email accounts such as Yahoo!® Mail, AOL®, MSN®, Hotmail®, BT Openworld, Karoo, Eclipse and many more
- Company email accounts that allow email forwarding
- Company Microsoft Exchange or Lotus Domino email accounts that are accessed via a web browser
- When you delete emails on your handheld they will also be deleted on your email account
- No mailbox size limits apply and the service automatically deletes emails on the device that are older than 30 days
