

KCOM Broadband Standalone

1. Introduction & summary

The KCOM Broadband service provides standard internet access. It can be bought as a standalone product, alongside a phone service, or as part of a bundle. This document shows details of standalone broadband services.

2. Service description

Based on ADSL technology, KCOM Broadband provides internet access with connection speeds that vary, depending on your line length from the telephone exchange.

3. Pricing

Prices below are inclusive of VAT. Discounts are available for payment by Direct Debit and Online Billing, both of which provide convenience and control to our customers.

4. Contract term

The standard contract length is 12 months for KCOM Broadband. Flexible contract options are available for an additional charge, and Early Termination Fees apply. Please see service options and additional charges sections of this document.
