Travel

From 16th June 2017, all tariffs cover roaming in Europe. So, minutes, texts and data allowances will work in Europe just like they do in the UK. This means customers can make & receive calls and send & receive texts within Europe just like they'd normally do in the UK as part of their inclusive monthly allowance.

Standard charges when traveling abroad

Option for travel outside Europe: Rest of World 24 Hour Pass

For trips outside of Europe you can also opt in to this bolt on and pay **£7.50** for every day you make or receive a call, send a text or use more than 50KB data. It gives you up to 200 minutes, 200 texts and 200MB of data in 87 destinations, depending on the country you're visiting within any 24 hour period.

It doesn't cost anything to opt in - the following activities will trigger a daily charge of £7.50:

- Using more than 50kbps of data

For full information on the countries included visit <http://www.o2.co.uk/business/products/international-business/going-abroad/rest-of-world-24-hour-pass>

Wifi fair usage policy

The following policy relates to your use of O2 wifi service only. It is designed to make sure you can get a service that is great value, fast and reliable. You must make sure that any use of the service, by yourself or anyone else via your account, complies with this policy. If you (or anyone else using the service via your account) breach this policy, we or O2 may:

1. give you a notice to stop or moderate the unacceptable use(s); or
2. terminate or suspend your service, with or without notice as we consider appropriate, under the terms.

This policy is in addition to the terms and conditions for O2 wifi and is part of the terms for that service. Anything which is not defined in this policy will have the meaning set out in the terms. If there's any inconsistency between the policy and the terms, the policy will prevail.

Contract terms early termination charges

Early termination charges apply for customers ceasing their KCOM mobile service whilst still in contract. These early termination charges are highlighted in the table below, and apply per month for the remainder of the contract term. VAT is not payable on this charge.
