Notes

In certain circumstances, where extensive new construction is required to provide a customer with telephone service, additional charges may apply.

The annual rental charge includes all network apparatus up to and including the Network Termination Point.

All applications are subject to a credit check and a security deposit may be required. See separate Security Deposit booklet for further information.

The take-over charge is as stated above, provided that no additional work or visit is required. If additional work or a visit is required the customer will be charged the standard connection fee as shown above, and not the take-over fee.

Customers wishing to operate under charity status are no longer able to submit orders for residential analogue lines.

Customers wishing to operate under charity status must show proof of their charitable status and be registered with the appropriate government body.

Customers wishing to operate under charity status are no longer able to submit orders for residential broadband services.

Any other service required will be charged as per business customer charges

Minimum contract term for both options is 12 months

Customers on a 12 month contract that terminate before the end of the contract are subject to the costs of the service for the remainder of the contract term.
