Termination Payment

The following Charges are payable where the CP terminates an Order for WFLLA FTTP Services prior to the expiry of that Order's Initial Term. For the avoidance of doubt, such Charges are not payable where the CP terminates an Order for Services due to KCOM's inability to supply WFLLA FTTP Services that meet the minimum Line Rate quoted in CIP040 published on the KCOM Website at <https://www.kcomplc.com/regulatory/kcom-wholesale/service-information/technical-interface-information/>.

The Initial Term for the WFLLA FTTP Service to an individual End User Site is:

- (a) where the connection is the first provision of an FTTP Service to that Site, twelve (12) months commencing on the date of provision of the WFLLA FTTP Service to the CP;
- (b) where the connection is a Migration of an FTTP Service to that End User Site, one month commencing on the date of provision of the WFLLA FTTP Service to the CP.
